Would you like to grow your career working in a key role within a highly successful provision designed to support students with highly complex needs to reach their potential and succeed within a mainstream school setting?

Haverstock is an incredibly diverse mixed comprehensive school in the heart of Camden which is on a rapid journey of improvement. Our Pastoral Support Base provision was introduced in October 2017 to support students who are at risk of permanent exclusion through a nine-week intensive programme comprised of specialist teaching in classes of no more than eight, specialist therapeutic support and mentoring. It has already made a huge difference to the lives of more than 20 children and has been highly praised by an external review. We are looking for someone with the passion, skills and experience to help us make it even better.

You will be supported by our superb Pastoral Support Base Manager and we will invest in your professional development so that you can succeed and grow in your role.

Haverstock is committed to safeguarding and promoting the welfare of young people and expects all staff and volunteers to share this commitment. The post will be subject to an enhanced DBS disclosure.

To request an application pack, or to have an informal conversation about the role or visit to the school in advance of applying, please email [jobs@haverstock.camden.sch.uk](mailto:jobs@haverstock.camden.sch.uk)

**Closing date: Thursday 19<sup>th</sup> July at noon**

**Interviews will take place in the following week.**
